CALIFORNIA DEPARTMENT OF TRANSPORTATION

## CALTRANS CONSTRUCTION ALERT

### Nighttime Lane Closure EB SR-91 from Imperial Highway to SR-241 Week of September 26<sup>th</sup>, 2011

**WHAT:** Nighttime lane closure will occur eastbound from Imperial Highway to SR-241 as crews paint "K" Rail barriers used to separate the construction area from the live traffic flow, and set gawk screen. During this activity EB SR-91 will be reduced by one lane with traffic control. The Express Lanes will not be affected.

When completed, the current number of lanes will still be available.

Disclaimer: Due to unforeseen operational factors or inclement weather, these dates and times may change.

**SLOW FOR THE  
CONE ZONE**

We appreciate your patience during construction.

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights..
