CALIFORNIA DEPARTMENT OF TRANSPORTATION

CALTRANS CONSTRUCTION ALERT

Nighttime Lane Closures EB/WB SR-91 from SR-241 to Imperial Highway Week of September 19th, 2011

WHAT: Nighttime lane closures will occur eastbound and westbound at various locations from SR-241 to Imperial Highway as crews set temporary "K" Rail barriers to separate the construction area from the live traffic flow, and haul dirt. During this activity WB SR-91 will be reduced by various lanes, with traffic control. The Express Lanes will not be affected.

When completed, the current number of lanes will still be available.

Disclaimer: Due to unforeseen operational factors or inclement weather, these dates and times may change.

We appreciate your patience during construction.

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights..
