FULL RAMP CLOSURE SOUTHBOUND STATE ROUTE 55 DYER ROAD (EAST) OFF-RAMP

Irvine—The California Department of Transportation (Caltrans) will close the Dyer Road (East) off-ramp commencing Friday, February 17, at 11:59 P.M. 2012 through April 13, 2012.

This full ramp closure is necessary to realign and reconstruct the ramp to accommodate the addition of an auxiliary lane on the SB SR-55 from Edinger Avenue to Dyer Road, and widening the bridge on Dyer Road.

Detour signs and routes will be in place to alert and direct motorists.

For more information on this project you may contact the District 12 Public Information Office at (949) 724-2000 or log on to the Caltrans website at www.dot.ca.gov/dist12.

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.
