

# CALTRANS COMMUTER ALERT

## SR-91 EB/WB Weir Canyon Road Off-ramps Ramp Construction – Lanes Reduced

**WHAT:** Lane reduction will occur for SR-91 Weir Canyon Road eastbound and westbound off-ramps as crews rebuild ramps to accommodate the freeway lane addition. During this activity, off-ramps will be reduced to one lane. Detour signs and routes will be in place as alternate paths of travel. Nighttime full ramp closures may also occur.

**Note: Eastbound Peralta (Anaheim) Weigh Station will be closed October 10, 2011 – January 31, 2012.**

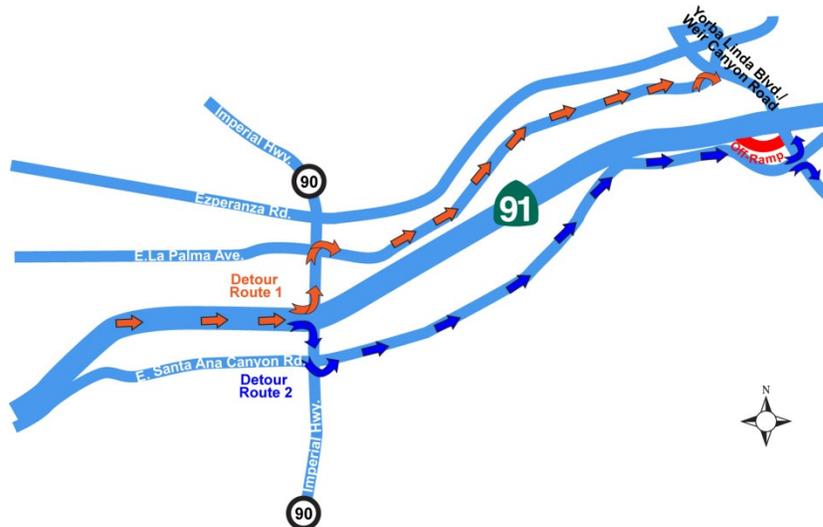

Disclaimer: Due to unforeseen operational factors or inclement weather, these dates and times may change.

TIME AND DATE	LANE REDUCTION LOCATION
Starting Monday, October 10 <sup>th</sup> , 2011 at 10 p.m., until February 2012.	SR-91 Eastbound and Westbound off-ramps at Weir Canyon Road will be reduced to one lane. Nighttime full ramp closures are possible from 12 a.m. – 4 a.m.

### DETOUR – EB SR-91 before Weir Canyon Road

**Option 1.** Exit Imperial Highway, left on Imperial Highway, right on East La Palma Avenue to Yorba Linda Boulevard/Weir Canyon Road.

**Option 2.** Exit Imperial Highway, right on Imperial Highway, left on Santa Ana Canyon Road, to Weir Canyon Road.

**SLOW FOR THE  
CONE ZONE**

We appreciate your patience during construction.

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.
