

INFORMATIONAL NOTICE

ENVIRONMENTAL CONSULTANTS AND SMALL BUSINESS OWNERS

ARE INVITED TO AN

**ARCHITECTURAL AND ENGINEERING
CONSULTANT AND SMALL BUSINESS OWNER OUTREACH**

FOR AN

On-call Environmental Analysis and Studies Contract

District 12, Contract No. 12NEW 01-11

CONSULTANT shall provide professional and technical environmental services on an "as needed" basis to support the development and construction of proposed STATE transportation facilities. These services include but are not limited to: conducting various technical environmental studies/documents as required under National Environmental Policy Act (NEPA) and California Environmental Quality Act (CEQA); providing support in obtaining environmental permits from various federal, state or local resource agencies or entities; conducting long-term environmental mitigation monitoring, particularly in the areas of biology and cultural/paleontology; providing support for environmental public hearings, community scoping meetings and other professional public awareness/outreach activities as required for project approval under state and federal environmental laws and regulations.

Tuesday, May 4, 2010 10:00 am to 12:00 noon

**Caltrans District 12 Headquarters
(Prudential Building)
3333 Michelson Dr., Ground Floor Auditorium
Irvine, CA 92612**

This meeting is a significant opportunity for Environmental Consultants, Certified Small Businesses, Disabled Veteran Business Enterprises, and Disadvantaged Business Enterprises to learn about the State of California's contracting process. The meeting will encourage partnering opportunities for Environmental Consultants and Subcontractors by providing potential bidders with an opportunity to meet, network, and develop relationships that will enable more successful bidding on this project and on future projects.

Please contact Elizabeth Philippon, Caltrans District 12 Small Business Liaison, at (949) 724-2021 for information and/or assistance.
