

I-5/ORTEGA HIGHWAY INTERCHANGE IMPROVEMENT PROJECT

Sunday, Oct. 11 - Saturday, Oct. 17, 2015

NIGHTTIME CLOSURES

The I-5/Ortega Highway Interchange Improvement Project is almost complete. Over the next week, the contractor will finish up several small remaining items, including electrical work, landscaping and irrigation, minor striping, the installation of remaining road signs and the modification of signal timings. The majority of the work will be performed at night with no daytime closures anticipated.

UPCOMING CLOSURE ALERTS

With the project entering its final weeks, the contractor is making the finishing touches throughout the project area. As a result, construction alerts will no longer be sent weekly. However, closure information will always be updated at the beginning of each week on the project Google map, www.octa.net/ortega under the detours section. Alerts will be sent intermittently, as new information becomes available.

Regularly scheduled nighttime closure(s) from Sunday, Oct. 11, to Saturday, Oct. 17, include:

Ortega Highway Ramp Closures

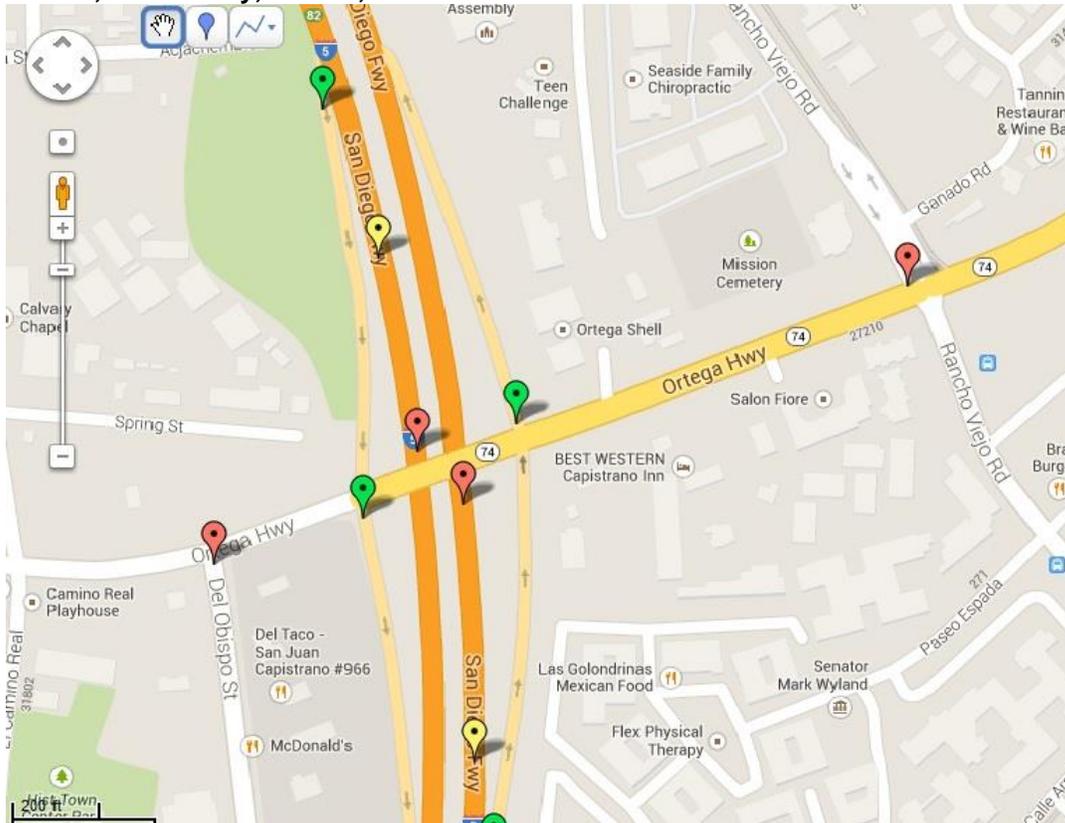

- **Northbound I-5 loop on-ramp**
 - Sunday to Thursday from 11:59 p.m. to 5 a.m.

NEIGHBORING PROJECTS

I-5 South County Improvements Project Avenida Pico to San Juan Creek Road

Construction is underway on the I-5 South County Improvements Project. The 5.7-mile project will add a carpool lane in both directions on the I-5 freeway between Avenida Pico and San Juan Creek Road and reconstruct the interchange at Avenida Pico.

For additional information about the project, visit www.octa.net/I-5Pico, and to view closure and detour information, [click here](#).

I-5 Ocean View Rehab Project

The Ocean View Rehab Project kicked off construction in October 2014 in San Diego County. The \$37.3 million project will replace the damaged concrete pavement slabs of the slow lane in each direction of the I-5 freeway between Oceanside and the San Diego County / Orange County line.

Motorists should expect delays during work hours and check Caltrans Quick Map at quickmap.dot.ca.gov for the latest freeway traffic information before leaving home. For additional information, please view the [project fact sheet](#).
