

## NORTHBOUND ON-RAMP TO CLOSE FOR DAYTIME PILE DRIVING ON SATURDAY, FEB. 7

The Ortega Highway on-ramp to northbound I-5 will be closed from 5 to 10 a.m. Saturday, Feb. 7, to allow construction crews to perform pile driving for a retaining wall. In addition, the two right lanes of northbound I-5 will be closed for the same period from Camino Capistrano to Junipero Serra Road.

Pile driving is scheduled to take place from 7 to 9 a.m. Crews will begin setting up as early as 5:30 a.m.

All work must be completed during the daytime because nighttime pile driving is prohibited. Additionally, it must be done on the weekend because the lane closures would have significant impact on northbound traffic during weekdays.

For additional information about the project, visit [www.octa.net/ortega](http://www.octa.net/ortega).
