MEDIA ADVISORY

2010 National Work Zone Safety Awareness Event

REDDING – The California Department of Transportation (Caltrans) District 2 in cooperation with local businesses, City, County, and State departments, will hold a ceremony honoring the men and women who put themselves in harms way maintaining California's roads and highways, and the first responders to roadway incidences and emergencies.

Every April, transportation departments throughout the country take a week to stress "Work Zone Safety" for highway workers and the traveling public. This year Caltrans District 2 will focus on the dangers encountered by all roadside crews, from streets and highway maintenance and construction workers to emergency first responders and tow-truck operators.

The public is invited to join us in honoring the brave men and women who put themselves in harms way, making California's roads safer for all of us.
