<b>SUBJECT:</b>	<b>Resolution to Accept the Transportation Concept Report for State Route 273 (April, 2013)</b>

**WHEREAS**, the Shasta Regional Transportation Agency is the Regional Transportation Planning Agency for Shasta County and is responsible for regional transportation planning, which includes the functional relationship between the local road system and state highway system; and;

**WHEREAS**, the California Department of Transportation (Caltrans), District 2, is responsible for planning, construction, and operation of the state highway system; and

**WHEREAS**, Caltrans, District 2, in cooperation with the Shasta Regional Transportation Agency, has prepared a Transportation Concept Report for State Route 273 which sets forth a conceptual plan for the development and operation of the highway for the next twenty years; and

**WHEREAS**, the Transportation Concept Report identifies management, operational, and improvement strategies that will be necessary to maintain desired operating conditions/level of service over the twenty year planning horizon; and

**WHEREAS**, the Transportation Concept Report provides a framework for coordinated planning and programming decisions between Caltrans and its local and regional partners; and

**WHEREAS**, completion and implementation of the Transportation Concept Report will better position Caltrans and its partner agencies for future funding opportunities.

**NOW, THEREFORE, BE IT RESOLVED** that the Shasta Regional Transportation Agency hereby makes the following findings:

1. The State Route 273 Transportation Concept Report presents a balanced and logical concept for the development and operation of State Route 273 over the next twenty years; and
