FOR IMMEDIATE RELEASE

Major Traffic Interfering Work Scheduled for I-80 This Weekend
80 Across the Top Project

SACRAMENTO—The California Department of Transportation (Caltrans) announced today that nighttime construction work on the Interstate 80 “Across the Top” project in north Sacramento will cause serious delays for westbound traffic this weekend.

Westbound motorists travelling along Interstate 80 in north Sacramento can expect various ramp closures and lane restrictions from **9 p.m. Saturday, February, 13 through noon Sunday, February 14** to complete the westbound traffic shift and extend the “Express Lanes” as part of the \$133 million 80 Across the Top project.

The Following Westbound I-80 Ramps will be temporarily closed:

- Northgate Boulevard
- Truxel Road
- I-80/ I-5 Connector Ramp
- West El Camino Ave

Caltrans advises the public to plan ahead for these delays and allow for additional travel time or choose an alternate route. Traffic will be detoured to Reed Avenue and back onto Eastbound I-80 to access these overpasses and the I-5 interchange.

Motorists are reminded to be alert for workers and equipment in the construction zone. For additional project information go to www.80AcrossTheTop.com

Caltrans will issue updates on Twitter @CaltransDist3 and on [Facebook at CaltransDistrict 3](#). For real-time traffic, click on Caltrans QuickMap at: <http://quickmap.dot.ca.gov/>
