## EXPERIENCE

---

**CALTROP** Corporation is a leading program, project and construction management firm. Distinguished by our innovative approaches, **CALTROP** has a solid reputation for managing and completing projects with a level of precision, timeliness and success unmatched in the industry.

## RELATIONSHIPS

---

At **CALTROP**, successful projects begin with successful relationships. Our staff is a dynamic team of talented and creative individuals motivated to exceed our clients' expectations. We believe in building business by creating long-term relationships with our clients, that start by making sure our clients know they come first.

## COMMITMENT

---

**CALTROP's** commitment to client satisfaction through a can-do attitude and superior technical capabilities is a hallmark of our practice. We combine cutting-edge management techniques with old-fashioned values like reliability, hard work, honesty and respect for our employees and clients. When we work for you, we stand steadfastly behind you, delivering solutions for all of your complex project needs.

## INNOVATION

---

**CALTROP's** superior human resources are armed with an equally impressive array of state-of-the-art tools. Management, Project and Construction Specialists are given every resource necessary to complete our clients' projects correctly. A diverse client base - encompassing both the public and private sectors - necessitates expertise in a wide range of highly technical disciplines. The staff at **CALTROP** has the breadth and depth of talent, education and practical experience to make your project a success.

## RESPONSIVENESS

---

Whether you need a single expert or a large cadre of multi-discipline project staff, immediately or in the future, right next door or in a remote location, **CALTROP** is structured to respond to the dynamic needs of your complex projects. Our professionals are familiar with functioning as an extension of staff or providing turn-key project management and are equipped to work independently or in teams with your own resources. With **CALTROP** on the job, keeping your project on track is never in question.

## SERVICE

---

Every employee of our firm is dedicated to exceeding our clients' expectations. Clients have access to every member of their project team, from principals to management to staff. The resulting synergistic partnership between **CALTROP** and our clients has established a new benchmark for quality that distinguishes **CALTROP** from other program, project and construction management consulting firms.

## COST-EFFECTIVENESS

---

**CALTROP** offers you more than just peace of mind. We provide you with proactive and accountable program and project managers and construction experts. We use proven processes and sophisticated tools to deliver quality and budget-conscious services. Our people stand behind their work, so you can be confident of success.

## LEADERSHIP

---

Setting industry trends and establishing a standard of excellence is what makes **CALTROP** a leader in construction and program management.
