

"Notice to Contractors and Vendors

These cross sections are intended for **Earthwork Development Only** and can be downloaded for printing from the links below on your own printing equipment or local printing firm. We have attached a list of printing vendors that have demonstrated the ability to plot large form (24"X36") cross sections for your use."

If you are a vendor that is not listed and would like to be added to the list, or if your company is listed and would like to be removed from this list, please contact Daniel Brown, District 02 - CADD Support (530) 225-2902 or E-mail: daniel_brown@dot.ca.gov
