FOR IMMEDIATE RELEASE

I-680 at SR 242 Split to be Closed for Emergency Repair

Concord – Caltrans will be closing northbound Interstate 680 in Contra Costa County at the I-680/SR 242 split for night work on May 26, May 27, and possibly May 28, from 11 p.m. to 6 a.m., for emergency slab repair.

Detour: Traffic will be detoured to northbound SR 242, westbound SR 4, and continue to northbound or southbound I-680.

During the repair work, three lanes for southbound I-680, from Willow pass on-ramp to 680/242 merge, will also be closed, from 9 p.m. to 5 a.m. As a result of this work, the Willow Pass diagonal on-ramp and the Geary Road/Monument off-ramp will also be closed. The westbound Willow Pass to southbound I-680 on-ramp will remain open.

Detour: The detour for Willow Pass is to go east on Willow, right on Clayton, and right onto southbound 242.

CHP will be onsite for traffic enforcement during the lane and road closures.
