FOR IMMEDIATE RELEASE

Northbound U.S. 101 On-ramp Closed at Coyote Point

San Mateo – As of Friday, May 23, 2008 Caltrans has closed access to the northbound U.S. 101 on-ramp at Coyote Point. This closure is to allow for construction of the elevated roadway at Airport Boulevard to continue. Because the construction of the elevated roadway is over the existing roads, this closure must be continuous throughout the time it is to be closed. The northbound U.S. 101 on-ramp at Coyote Point will not be accessible until the completion of the new Peninsula Ave Overcrossing, in late 2009.

Note: *There is no access to Peninsula Avenue from N. Bayshore Boulevard.*

Detours from Coyote Point

- For northbound 101 leaving Coyote Point traffic will be detoured north on Airport Boulevard to Anza Boulevard.
- For southbound 101 traffic leaving Coyote Point will be detoured south on Bayshore Boulevard to 3rd Avenue.
- For the Eastside of 101, traffic leaving Coyote Point is to use the 3rd Avenue Overcrossing or the Broadway Avenue Overcrossing.

This work is part of the U.S. 101 Auxiliary Lane Widening project that will be completed in the spring of 2011.

Advanced Warning Changeable Message Signs are in place to warn drivers of this closure.
