POTENTIAL OPPORTUNITIES FOR SMALL BUSINESSES
ANTIOCH BRIDGE RETROFIT PROJECT

Boat/Marine Services
- Provide Marine Services
- Establish Marine Access

Concrete Services
- Concrete Drilling And Cutting
- Install Temporary Concrete Washout

Demolition/Removal
- Demolition – Removal of Aesthetic Curtain Walls (concrete)
- Removal of Temporary Access Roadways
- Remove Temporary Construction Trestle
- Remove Concrete Barrier

Electrical
- Seismic Monitoring
- SMIP Electrical Work and Modify Existing Electrical Systems

Environmental/Erosion Control
- Biological Mitigation (Nesting Birds)
- Environmental Services (Storm Water Pollution Prevention Plan, Health and Safety Plan, Lead Compliance Plan, Erosion Control, Remove Bird Droppings)
- Provide Temporary Reinforce Silt Fence and Regular Silt Fence
- Street sweeping
- Clean and Paint Structural Steel

Fencing/Railing/Barriers
- Install/Remove Fencing
- Install Concrete Barrier
- Install Temporary Railing

Landscaping
- Planting/Landscaping
- Clearing And Grubbing
- Irrigation System

Mapping/Surveying
- Surveying
- Photo Survey of Existing Facilities

Roadway Work
- Construct Temporary Construction Trestle
- Construction Temporary Access Roadways

Security
- Security Services
- Photo ID System

Suppliers/Vendors
- Lumber, aggregate, roadway base/structural fill, electrical components, seismic monitoring equipment, concrete, welding products

Traffic Control
- Traffic Control/Traffic Management
- Signing - Construction Area Signs
- Provide Crush Cushions
- Provide/Remove Pavement Markers/Channelizers
- Provide Portable Changeable Message Signs
- Delineation (Thermoplastic Markers and Striping)
