FOR IMMEDIATE RELEASE

Hunter Hill Safety Roadside Rest Area On and Off Ramps to Close

Solano County – The Department of Transportation, Caltrans, will conduct a daytime lane closure on westbound Interstate 80 in Vallejo to facilitate the full closure of the on and off ramps to the Hunter Hill Safety Roadside Rest Area. The slow lane will be closed from 10:00 a.m. to 3:00 p.m. on Thursday, November 12th, weather permitting. The full closure of the Hunter Hill on and off ramps will be in effect until the project's completion in Fall 2010. There will be no vehicle parking available at the Hunter Hill on and off ramps during construction.

The Hunter Hill Safety Roadside Rest Area was closed in September so that a new rest area could be constructed. The new rest area will provide facilities that are compliant with the American Disabilities Act of 1990 (ADA), as well as provide new picnic tables, a designated dog-walk area, and a new CHP office.
