FOR IMMEDIATE RELEASE

I-238 Traffic Advisory

Oakland - The Department of Transportation announced today that to facilitate construction activities on the I-238 Widening Project, the following traffic changes will go into effect **immediately and continue until February 23, 2007:**

In the vicinity of Hesperian Boulevard and Lewelling Boulevard:

From the northbound I-880 exit to Hesperian Boulevard no left turn will be permitted.

On northbound Hesperian Boulevard, no left turn will be permitted from Hesperian Boulevard to Lewelling Boulevard.

On northbound Hesperian Boulevard near the median under I-880 and south of Lewelling Boulevard, traffic lanes will be reduced from three lanes to two lanes between the hours of 9:00 AM and 3:00 PM, Monday through Friday until February 23, 2007.

On southbound Hesperian Boulevard between Sycamore Street and the I-880 undercrossing, lanes will be reduced from three lanes to two lanes until February 23, 2007. Additionally, the two remaining lanes will be reduced from two lanes to one lane between the hours of 9:00 AM and 3:00 PM, Monday through Friday until February 23, 2007.
