

U.S. Department  
of Transportation  
**Federal Highway  
Administration**

Caltrans' contractors will be setting large steel girders for the Kent Overhead Bridge beginning tomorrow, Tuesday (01/29/08) through Wednesday (01/30/08) during the day and night.

Please be advised that during this work there will be construction related noise (e.g. clanging type sounds). The contractors will be working in your area intermittently over the next three weeks.

On Tuesday (02/15/08) in the evening, until Saturday (02/19/08) morning, work will be going on over the BART tracks. Please remember that ALL work is "weather permitting".

Additional project information is available:
