Caltrans to Repave a Portion of Panoramic Highway in Marin County

Stinson Beach – Starting this Monday, November 17, Caltrans will repave a two-mile section of Panoramic Highway in Marin County. The work will be done during the day, and will require one-way traffic control.

Although Panoramic Highway is a county road, Caltrans agreed to repave this portion as part of an agreement with Marin County. Last winter, Caltrans had to close Highway 1 from Muir Beach to Stinson Beach for emergency repairs. Traffic that normally used Highway 1 was diverted to Panoramic for several weeks.

The work area is a two mile section roughly in the mid-point of the highway. Work hours will be Monday through Friday, from eight a.m. to five p.m. The project should take just over one month to complete.
