Southbound U.S. 101 connector to Eastbound HWY 580 closed this week

The California Department of Transportation (Caltrans) today announced that the southbound U.S. 101 connector ramp to eastbound Highway 580 will be closed to through traffic from 9:00 p.m. to 5:00 a.m. on the evenings of December 11 to December 15

The detour traffic will exit at the Mission Street off ramp, continue on Hetherton Street, right on 3rd street, left on Tamalpais Ave, and continue on West Francisco Blvd, left on Anderson Drive, left on Belham Blvd, right onto eastbound Highway 580 on ramp.

The closure is necessary so that Caltrans contractors can continue the work on the Gap Closure Project, which will provide a continuous High Occupancy Vehicle (HOV), or carpool lane, through Marin County.
