

APPENDIX F

LIST OF PREPARERS

APPENDIX F: LIST OF PREPARERS

Caltrans District 4 – Environmental Evaluation Team

Agarwahl, Subhash – Hazardous Waste/Water Quality Investigation. Senior Transportation Engineer, M.S. Civil Engineering, 23 years experience, Department of Toxic Substances Control Board, California State Water Resources Control Board, California Department of Water Resources and California Department of Transportation.

Black, David B. – Environmental Document Management. Senior Environmental Planner, M.A. Urban Geography, 27 years State service, 19 years Environmental Planning, 3 years Transportation Planning, 2 years Highway and Programming, 3 years Right of Way.

Boyer, Ray – Environmental Engineering. Senior Transportation Engineer, B.S. Civil Engineering, Registered Civil Engineer, 13 years with Caltrans, 5 years in Environmental Engineering.

Casey, Dave – Final Document Preparer. Associate Environmental Planner, B.S. Botany, Licensed Land Surveyor, 9 years experience in Caltrans, Environmental Planning and Survey/Right of Way Engineering.

Cashin, Charlotte – Hydraulics. Senior Transportation Engineer, B.S. Engineering, Registered Civil Engineer, 10 years experience in Hydraulics Branch.

Church, Michael – Highway Operations. Senior Transportation Engineer, Registered Civil Engineer, 33 years experience in Traffic and Highway Operations Branch.

Haydu, Elaine – Project Manager. Senior Transportation Engineer, B.S. Civil Engineering, Registered Civil Engineer, 9 years experience in Design.

Hope, Andrew – Historic Property Survey Report. Associate Environmental Planner, M. Architecture, 11 years experience in architectural/historical studies.

Kerns, Mike – Highway Operations. Senior Transportation Engineer, B.S. Civil Engineering, Registered Civil Engineer, 10 years experience in Highway Operations.

Ketchum, Jeremy – Generalist, Environmental Planning. B.S. Environmental Policy Analysis and Planning, 1 year experience.

King, Greg – Historic Property Survey Report. Senior Environmental Planner, M.A. Public History, 17 years experience in architectural/historical studies.

Krase, Elizabeth – Historic Property Survey Report. Associate Environmental Planner, M.A. American and New England Studies, 14 years experience in architectural/historical studies.

Man, Derek – Environmental Engineering. Transportation Engineer, B.S. Civil Engineering, Registered Civil Engineer, 4 years experience in Modeling and Forecasting Branch. Currently in the Office of Highway Operations.

Mann, Jaswinder – Design. Senior Transportation Engineer, B.S. Civil Engineering, Registered Civil Engineer, 11 years experience in Design.

O'Connor, Denise – Historic Property Survey Report. Senior Environmental Planner, M.A. Anthropology, 11 years experience in architectural/historical studies.

Olafsson, Erik – Biology. Associate Environmental Planner (Biologist), B.S. Biological Sciences, 6 years experience in Environmental Planning.

Slabaugh, Rosemary – Final Document Contributor. Senior Environmental Planner, 10 years experience in Environmental Planning.

Stratton, Don – Relocation Studies. Associate Right of Way Agent, 20 years experience in acquisition, appraisal and relocation studies.

Van Velsor, Joan – Geotechnical Study. Supervising Engineering Geologist, Certified Engineering Geologist, Registered Geologist, 15 years experience in engineering geology.

Van Velsor, Ken – Draft Preparer. Senior Environmental Planner, B.A. Cultural Anthropology, 16 years experience, Highway Operations, Surveying, Project Design, Transportation Planning, Environmental Planning.

Yang, Shiang – Environmental Engineering. Transportation Engineer, M.S. Civil Engineering, Registered Civil Engineer, 9 years experience in air and noise studies.

Yeakel, John – Biology. Associate Environmental Planner (Biologist), B.A. Biology, B.S. Environmental Planning, 13 years experience in Environmental Planning with Caltrans.

De Leuw, Cather & Company

Davis, Mike – Document Coordination. Senior Planner, M.U.P., 13 years in transportation and environmental planning.

Nichols, Carla – Socioeconomic Study. Senior Planner, M.U.P., 10 years experience in socioeconomic studies.

Shearin, Gui – TSM/Traffic Analyses. Senior Transportation Planner, Ph.D. Transportation Planning, 15 years evaluating travel demand, traffic forecasting, and land use/socioeconomic studies.

Engineering Science, Inc.

Gharabegian, Areg – Noise Analysis. Supervising Engineer, M.S. Mechanical Engineering, 15 years in analysis of noise impacts from industrial plants, airports and highways.

Halsey, Gary – Natural Environment Study. Principal Ecologist, B.S. Biology and Applied Ecology, B.S. Physical Geography, 19 years experience.

Morangia, Michael – Natural Environment Study. Senior Biologist, M.S. Zoology, M.L.A., 12 years experience.

Morgan, Randall – Natural Environment Study. Botanist, B.A. Biology, 21 years experience.

Schock, Randall – Natural Environment Study. Staff Environmental Analyst, B.S. Natural Resources Management, 5 years experience.
