## FOR IMMEDIATE RELEASE

### U.S. Route 101 Construction at the Petaluma River Closures Scheduled for Petaluma Blvd. South at the Petaluma River Bridge Full Northbound U.S. Route 101 Closures Begin Thursday Night, March 19

**Petaluma, Sonoma County** – Caltrans has scheduled freeway closures for northbound U.S. Route 101 and the Petaluma Boulevard South on-ramp to northbound U.S. Route 101. In addition, Petaluma Boulevard South at the Petaluma River Bridge will be closed for several nights of construction.

#### Closure of Petaluma Boulevard South

- Petaluma Blvd South will be closed in both directions at the Petaluma River Bridge on Monday night, March 16, Tuesday night, March 17, and Wednesday night, March 18, from 9 p.m. to 5 a.m. This closure is necessary for the placement of girders on the northbound bridge being constructed.
- **Detour for east side of Petaluma Blvd. S. closure:** Use the northbound U.S. Route 101 on-ramp from Petaluma Boulevard South.
- **Detour for west side of Petaluma Blvd. S.:** take Petaluma Blvd. S., turn right on D Street, turn right on Lakeville Street, and continue to U.S. Route 101.
- **All work is weather dependent and will be rescheduled if necessary.**

#### Closure of Northbound Route 101 and the Northbound On-ramp from Petaluma Blvd. South

- Northbound Route 101 and the on-ramp from Petaluma Boulevard South will be closed at the new Kastania Road Overcrossing south of the Petaluma River on Thursday night, March 19, Monday night, March 23, Tuesday night, March 24, Wednesday night, March 25, and Thursday night, March 26, from 11 p.m. to 5 a.m. The closure is necessary for the placement of girders on the new northbound portion of the bridge.

# CONSTRUCTION NOTICE

- **Detour:** northbound U.S. Route 101 traffic will exit to Petaluma Blvd South and proceed through downtown Petaluma, turn right on D Street, and right on Lakeville Street, and return to northbound U.S. Route 101.
- **All work is weather dependent and will be rescheduled if necessary.**
