**FOR IMMEDIATE RELEASE**

## **U.S. 101 Auxiliary Lanes Project Ramp Closure**

**Santa Clara County—** California Department of Transportation (Caltrans) is grinding and paving on southbound U.S. 101 as part of the U.S. 101 Auxiliary Lane Project this evening.

The grinding and paving operation will require the two outside lanes (3&4) to be closed in the southbound direction which will require the San Antonio Road on / off ramps and Oregon Expressway on / off ramps to be closed independently from 10:00 a.m. to 5:00 a.m., Thursday morning. Construction activities will resume after the holiday on July 7

Advance warning changeable message signs and detour signs will be posted to assist motorists during lane and ramp closures. Caltrans appreciates your patience as we improve California's highways.

You can find more information regarding this project on our website:
