**Phone:** 510-622-0120

**FOR IMMEDIATE RELEASE**

## STATE ROUTE 12 NIGHT WORK EXTENDED

**Solano County** – The California Department of Transportation, Caltrans, has extended this week's one-way traffic control operation to Thursday, May 20 and Friday, May 21 between Lambie Road and State Route 113 to continue working on the State Route 12 Safety Improvement Project. These lane closures will take place from 6:00 pm to 6:00 am.

Vehicles may be stopped on the highway during one-way traffic control while waiting for their turn to proceed through the construction zone. Motorists are asked to drive with extra caution and watch for construction vehicles merging into the lanes of traffic. The speed limit in the construction zone is either 35 mph or 45 mph, depending on the location, and the traffic fines are doubled along State Route 12 in this area. Increased patrol and enforcement from California Highway Patrol Officers is prevalent during construction closures on State Route 12.

Please continue to "Slow for the Cone Zone."
