Highway 12-Jameson Canyon Closure Scheduled Overnight April 26th For Traffic Switch

NAPA AND SOLANO COUNTIES – The California Department of Transportation (Caltrans), the Solano Transportation Authority (STA), and the Napa County Transportation and Planning Agency (NCTPA) will be switching traffic from the existing roadway to a new section of Highway 12-Jameson Canyon on Friday, April 26th.

The work is part of the Highway 12 Jameson Canyon Widening Project in Napa and Solano Counties. The switch will require the movement of safety barriers and restriping of traffic lanes. After this switch is completed, motorists will be driving on a new one-mile portion of Highway 12 just east of the Solano-Napa county line. The entire six-mile widening project is scheduled to be completed in June of 2014.

Full Overnight Highway Closures

To ensure worker and public safety, eastbound and westbound Highway 12 between Highway 29 and Red Top Road is scheduled to be closed on Friday, April 26th at 11 p.m. until Saturday, April 27th at 5 a.m.

Highway 12-Jameson Canyon Detour

During the overnight highway closure, eastbound Highway 12 motorists are advised to use southbound Highway 29 to eastbound Highway 37 to eastbound Interstate 80. Westbound Highway 12 motorists should use westbound Interstate 80 to westbound Highway 37 to northbound Highway 29.

Local access is available for Jameson Canyon residents and emergency vehicles only. Caltrans will also install electronic message signs. All work is weather permitting.

Motorists should allow for extra travel time. Additional project information is posted on the Caltrans' Highway 12-Jameson Canyon webpage at:
<http://www.dot.ca.gov/dist4/12jamesoncanyon/>

Caltrans appreciates your patience as we work to improve the highway.
