FOR IMMEDIATE RELEASE

Full Night Road Closure on South I-680 for HOV Lane Wednesday

Martinez- On Wednesday night, January 19, 2005, crews will close all lanes of southbound I-680 between Arthur Road and the junction of Route 4 between 12:00 a.m. (midnight) and 4:00 a.m. Thursday morning, for the purpose of installing overhead sign structures, weather permitting.

Changeable message signs will advise motorists of the closure and detour signs will direct traffic around the work. Southbound traffic will be detoured off I-680 at the Arthur Rd. off-ramp and right onto Arthur Rd. South on Arthur Rd. to Pacheco Blvd. and south on Pacheco Blvd. to and right onto Muir Rd. and then right onto eastbound Route 4 and onto the southbound I-680 connector ramp.

Traffic from southbound I-680 to east and westbound Route 4 will also be detoured via the Arthur Rd. off-ramp and south on Arthur Rd. and then south on Pacheco Blvd., to either the westbound Route 4 on-ramp from Pacheco Blvd, or the eastbound Route 4 on-ramp from Muir Rd.

Minor traffic delays are anticipated, and use of alternate routes is advised when possible. Motorists are advised to make note of the closure times and to use caution when traveling through the construction zone and detour route.
