FOR IMMEDIATE RELEASE

I-580 Closures at Portola Avenue in Livermore Rescheduled for Aug. 19 to Aug. 21

Livermore – Caltrans has scheduled closures on I-580 to erect falsework for the Portola Avenue Overcrossing, beginning Thursday morning, August 19. Construction will begin for westbound I-580. After the falsework is erected for westbound I-580, work will continue for eastbound I-580.

Construction is planned for westbound I-580 on Thursday morning, August 19, from 12 a.m. to 3 a.m. During this work, westbound I-580 will be closed at N. Livermore Ave. If work is not completed August 19, it will continue on Friday, August 20, from 12 a.m. to 3 a.m. **Detour:** westbound I-580 traffic will exit at N. Livermore Ave, turn left on Livermore Ave., then right on Portola Ave., and continue to westbound I-580.

Falsework construction for eastbound I-580 is scheduled for Friday and Saturday morning, August 20 and 21, from 1 a.m. to 4 a.m. During this work, eastbound I-580 will be closed at Portola Avenue. **Detour:** eastbound I-580 traffic will exit at Portola Ave. Continue on Portola Ave. and turn left at N. Livermore Ave. Continue to eastbound I-580.

The most recent information about closures for this project may be found at www.dot.ca.gov/dist4/releases.htm

Once falsework is erected for the Portola Avenue Overcrossing, there will be additional closures on I-580 to erect falsework for the Isabel Avenue Overcrossing.

Please remember to Slow for the Cone Zone.
