FOR IMMEDIATE RELEASE

Interstate 80-Vacaville-Dixon Overnight Lane Closures Monday Night

SOLANO COUNTY – The California Department of Transportation (Caltrans) will be working overnight on Monday, April 1st to trim oleanders inside the median in preparation of a major paving project on eastbound and westbound Interstate 80 (I-80) between Vacaville and Dixon.

I-80 Westbound Lane Closures

To ensure worker and public safety, the #1 lane/far left lane of westbound I-80 between Curry Road in Dixon and Midway Road in Vacaville will be closed. The closure begins Monday, April 1st at 7 p.m. until 5 a.m. on Tuesday, April 2nd.

I-80 Eastbound Lane Closures

In the eastbound direction, the #1 lane/far left lane of eastbound I-80 between Midway Road in Vacaville and Curry Road in Dixon will be closed. That closure begins Monday, April 1st at 10 p.m. until 6 a.m. on Tuesday, April 2nd. All work is weather permitting. Caltrans will install changeable message signs and motorists should allow for extra travel time.

Pave 80 Completion

Monday's median work is in preparation for the I-80 Vacaville-Dixon Rehabilitation project slated to start in mid-April and be completed in 2014. As part of that project, Caltrans will pave and rehabilitate about 8 miles of westbound and eastbound I-80 between Vacaville and Dixon. The Rehabilitation project will also include ramp and shoulder reconstruction along the busy I-80 corridor in Northern Solano County. The rehab project will complete the final leg of the Pave 80 Project which involved paving I-80 from the Bay Area to the Nevada-California state line.
