FOR IMMEDIATE RELEASE

Interstate 80-Vacaville-Dixon Westbound and Eastbound Overnight Lane Closures

SOLANO COUNTY – The California Department of Transportation (Caltrans) has started lane repair work as part of the Interstate 80 (I-80) Vacaville-Dixon Pavement Rehabilitation Project. The overnight repairs will require various overnight lane closures until further notice.

I-80 Westbound Nightly Lane Closures

To ensure worker and public safety, up to two of three lanes of westbound I-80 between Leisure Town Road in Vacaville and the Highway 113/I-80 Interchange in Dixon will be closed. The closures begin nightly Monday through Friday starting at 7 p.m. until 5 a.m. the following mornings.

I-80 Eastbound Nightly Lane Closures

In the eastbound direction, up to two of three lanes of eastbound I-80 between the Highway 113/I-80 Interchange in Dixon and Leisure Town Road in Vacaville will be closed. Those closures begin nightly Monday through Friday starting at 10 p.m. until 6 a.m. the following mornings. All work is weather permitting. Caltrans will install changeable message signs and motorists should allow for extra travel time.
