## FOR IMMEDIATE RELEASE

### INTERSTATE 80 FINAL PAVING IN FAIRFIELD Follow Lane Closure Information on Twitter

**Solano County** – The California Department of Transportation, Caltrans, will be conducting lane closures on Interstate 80 from west of the State Route 12 Interchange to east of Air Base Parkway Overcrossing in Fairfield in order to complete the final paving and striping in this area.

Lane closures will resume Sunday night through Saturday morning beginning the week of August 22, 2010. Work on the westbound lanes will necessitate closures from 7:00 p.m. to 5 a.m. and work on the eastbound lanes will require lane closures from 9:00 p.m. to 7:00 a.m. On, off, and connector ramps will also be subject to lane closures. Signs will be posted to notify motorists of upcoming closures and detours. Construction is scheduled to be completed in October, weather pending.

Motorists can now stay informed about Interstate 80 projects in Solano County on both the web and twitter. Project information, lane closures, and special alerts are now available at [www.pave80.com](http://www.pave80.com) and on [twitter @Pave80](https://twitter.com/Pave80). Delays may result from lane closures. Stay informed. Plan ahead and allow more time for your commute. Caltrans thanks you for your patience during construction.
