FOR IMMEDIATE RELEASE

Westbound Interstate-80-Alamo Drive-Vacaville Emergency Repairs-Lane Closures

Vacaville – Today the California Department of Transportation (Caltrans) will be closing two lanes of westbound Interstate 80 near the Alamo Drive exit in Vacaville starting at 10 am for emergency road repair work.

Caltrans is doing emergency pavement repair to the two far right traffic lanes. Crews hope to have the repairs completed and the lanes back open by 2pm.

The westbound offramp to Alamo Drive will also be closed during the repairs.

Motorists are advised to expect delays.
