FOR IMMEDIATE RELEASE REMINDER

State Route 84 (Woodside Road) Herbicide Spraying Open House/Public Meeting

San Mateo County – Caltrans District 4 (Oakland) will hold an Open House/Public Meeting on Thursday, November 5, 2015, for State Route 84, regarding pre – post – emergent herbicide spraying for fall 2015. Caltrans is proposing a Vegetation Management Pilot Program for this activity. We are working to partner with the community and are aware of the community's concerns.

The purpose of this Open House/Public Meeting is to discuss CAL FIRE's recommendations for vegetation management by using best practices that will consist of a combination of manual control weed abatement and herbicide spraying.

The Open House/Public Meeting will consist of information tables accompanied with Caltrans staff to discuss various aspects of the project. There will not be a formal presentation. The public meeting will be open to the public between the hours of 7:00 and 9:00 PM. The public will have the opportunity to speak directly with Caltrans representatives about herbicide spraying and potential impacts. Meeting attendees will also have the opportunity to review display boards and other herbicide spraying information.

Comments may be submitted at the meeting by completing a written comment card. All comments will become part of the public record.

CAL FIRE representatives are scheduled to be in attendance.
