**FOR IMMEDIATE RELEASE**

## Repair Begins for Bridge Decks on I-880

**FREMONT** – Night time maintenance will begin on a project to repair various bridge decks on Interstate 880 in Alameda County. For tonight, and Monday night through Wednesday night, there will be temporary lane closures from Alameda Creek to north of Whipple Road.

The lane closures are necessary to remove and repair unsound concrete from the mainline. This could be a noisy activity and the contractor is required to monitor the sound level from 9 p.m. to 6 a.m.

Tonight up to three lanes will be temporarily closed on southbound and northbound I-880 from 10 p.m. to 7 a.m. The work will continue Monday through Wednesday night, from 10 p.m. to 5 a.m. for northbound I-880, and from 11 p.m. to 5 a.m. for southbound I-880.

Motorists are asked to please be alert and to slow for the cone zone.
