FOR IMMEDIATE RELEASE

U.S. 101 Petaluma River Bridge Construction Project Construction Update for Petaluma River Bridge Demolition

Petaluma, Sonoma County – Caltrans has **rescheduled** the **closure of Petaluma Blvd. South and the Northbound U.S. 101 Off-Ramp to Petaluma Blvd. South**

- **On Sunday, February 8**, from 4 a.m. until 11:59 p.m., Caltrans will close Petaluma Boulevard South at the Petaluma River Bridge for demolition activities. The northbound U.S. Highway 101 off-ramp to Petaluma Boulevard South will also be closed on Sunday, February 8, from 4 a.m. until 11:59 p.m.
 - This work is being completed in one day to avoid several nights of ramp and road closures.
 - Residents may notice increased noise as work is completed above Petaluma Boulevard S.
 - **Detour 1:** Northbound U.S. Highway 101 traffic that usually exits at Petaluma Boulevard South will be diverted to the next exit at State Route 116/Lakeville Highway.
 - **Detour 2:** Residents who live or work on the east side of the freeway or on Kastania Road can exit at State Route 116/Lakeville Highway, take southbound U.S. Highway 101, and exit at Petaluma Boulevard South to access their residence or business.
 - **Detour 3:** During the closure of Petaluma Boulevard South, **park and ride users**, local residents, and businesses who want to travel north on U.S. 101 can take the southbound U.S. Highway 101 on-ramp from Petaluma Boulevard South, travel to the Redwood Landfill, and return to northbound U.S. Highway 101.

This work is weather dependent and will be rescheduled if necessary. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone. The California Highway Patrol will be on site during closures. For more information about this Caltrans construction project, visit the website at <http://www.dot.ca.gov/dist4/101petalumablvd>.
