FOR IMMEDIATE RELEASE

U.S. 101 Petaluma River Bridge Construction Project Construction Update for Petaluma River Bridge Demolition

Petaluma, Sonoma County – Caltrans will close Petaluma Boulevard South and the Northbound U.S. Route 101 Off-Ramp to Petaluma Boulevard South on Sunday, February 8, from 4 a.m. to 11:59 p.m.

- The demolition of the old northbound U.S. Route 101 bridge over Petaluma Boulevard South is being completed in one day to avoid several nights of ramp and road closures.
- Residents may notice increased noise as work is completed above Petaluma Boulevard South.
- **Detour 1 (east side of Petaluma Blvd. S. closure):** Northbound U.S. Route 101 traffic that usually exits at Petaluma Boulevard South will be diverted to the next exit at State Route 116/Lakeville Highway.
- **Detour 2 (east side of Petaluma Blvd. S. closure):** Residents who live or work on the east side of the freeway or on Kastania Road can exit at State Route 116/Lakeville Highway, take southbound U.S. Route 101, and exit at Petaluma Boulevard South to access their residence or business.
- **Detour 3 (east side of Petaluma Blvd. S. closure):** During the closure of Petaluma Boulevard South, **park and ride users**, local residents, and businesses who want to travel north on U.S. Route 101 can take the southbound U.S. Route 101 on-ramp from Petaluma Boulevard South, travel to the Redwood Landfill interchange, and return to northbound U.S. Route 101.
- **Detour 4 (west side of Petaluma Blvd. S.):** take Petaluma Blvd. S., turn right on D Street, turn right on Lakeville Street, and continue to U.S. Route 101.

Note: This work is weather dependent. If work on February 8 is cancelled due to weather conditions, closures will be rescheduled for Tuesday, February 10.

Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone. The California Highway Patrol will be on site during closures.
