College Avenue Widening Project at U.S. 101 Work Cancelled for Week of June 29

Santa Rosa – The Caltrans contractor has cancelled work scheduled for the week of June 29. An update will be sent out as soon as the contractor provides a new schedule.

This project will widen College Avenue at US 101 between Cleveland Avenue to the west and Morgan Avenues to the east of the interchange. Improvements include new bicycle lanes and pedestrian sidewalks in either direction, a second left-turn lane for eastbound College Avenue approach to the northbound US 101 on-ramp, and an extension of the westbound College Avenue to northbound Cleveland Avenue right-turn lane that will start at Morgan Avenue. New replacement traffic signals within project limits will provide further enhancement to the interchange.

For more information about the project, visit the Department's website at <http://www.dot.ca.gov/dist4/101colleageave>.
