Construction Notification #40 *Hegenberger Road Lane Closures and Interstate 880 Lane and Ramp Closures at Hegenberger Road*

September 2013

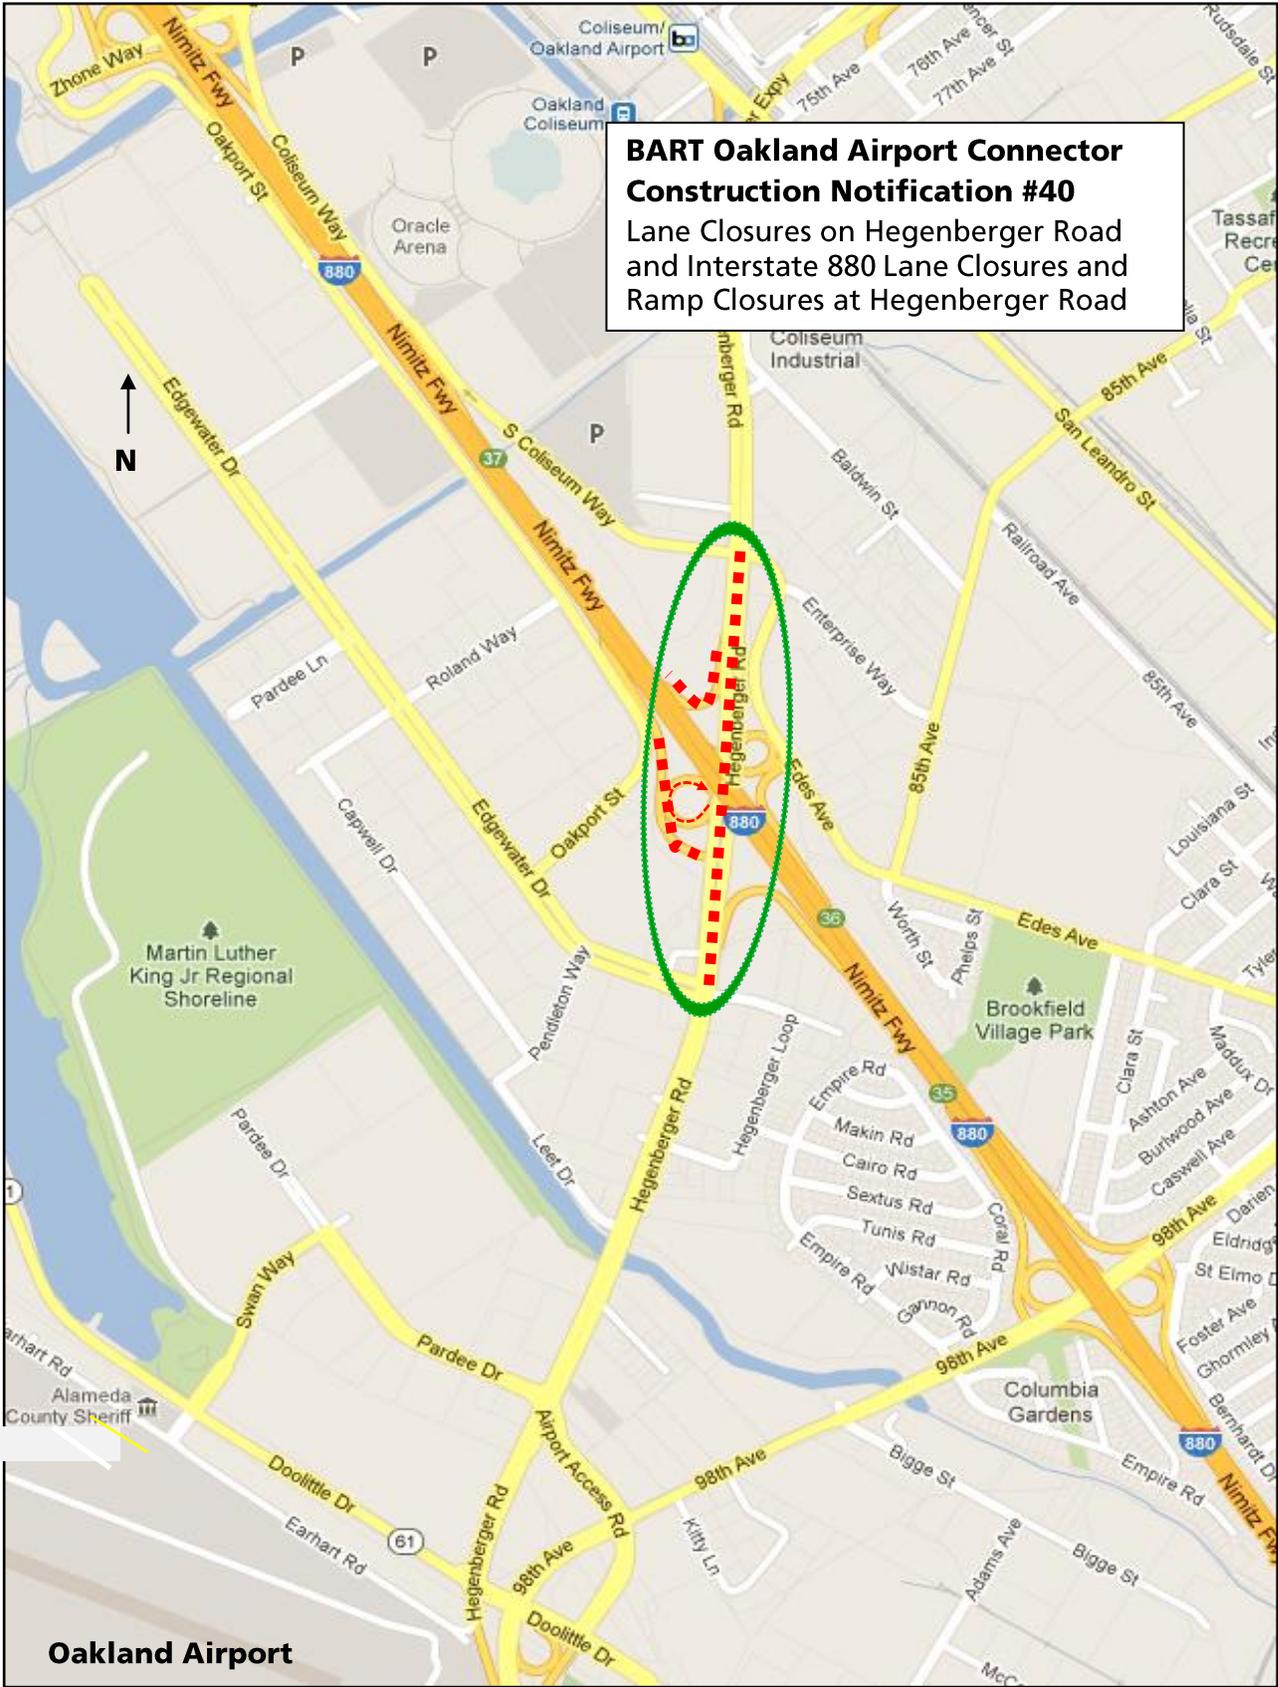

The Oakland Airport Connector (OAC) project is under construction along Interstate 880 at Hegenberger Road. In Spring 2013 the project constructed the system's steel guideway above traffic on Interstate 880. The construction process now requires temporary nighttime lane closures of southbound and northbound Interstate 880 at Hegenberger Road, on Hegenberger Road between South Coliseum Way and Edgewater Drive, as well as nearby off-ramps to install materials beneath the system's steel guideway above traffic lanes.

Please note the following impacts during construction:

- **Temporary lane reconfigurations, lane closures and shifting of traffic on northbound and southbound Interstate 880 near the Hegenberger Road exit.**
- **Interstate 880 on- and off-ramps at Hegenberger Road will be closed, intermittently throughout Fall 2013, Monday through Saturday from 11 pm to 6 am.**

You may refer to the diagram on the back of this page for a map of the impacted areas. Please watch for and follow all posted detour signs and other notices regarding construction activities and safety information.

We appreciate your patience and cooperation.
