FOR IMMEDIATE RELEASE

INTERSTATE 880 HOV LANE PROJECT Marina Boulevard Northbound and Southbound Off/On-Ramps and Freeway Lane Closures Planned for Wednesday, June 3.

SAN LEANDRO, ALAMEDA COUNTY – The California Department of Transportation (Caltrans) is planning a scheduled closure of one northbound and one southbound lane on Interstate 880 at Marina Boulevard, Wednesday night, June 3, from 8:00 PM to Thursday morning June 4, 5:00 AM. The closure will include full closures of northbound and southbound Marina Boulevard on-ramps and off-ramps. The scheduled closure will allow crews to successfully switch traffic lanes and open the new wider Marina Boulevard Overcrossing and ramps to full traffic in both directions beginning Thursday morning at 5:00 AM.

Detours will include:

- **Detour for northbound:** Exit at the Davis Street off-ramp, turn left on Davis Street, turn left on Doolittle and turn left onto Marina Boulevard.
- **Detour for southbound:** Exit at Davis off-ramp, turn right onto Davis Street, Left on Doolittle, and turn left onto Marina Boulevard.

Construction crews and flaggers will be on site to control local traffic through the work zone on Marina Boulevard starting at 8:00 PM. Please be advised the new configuration at the Marina Boulevard exits will have separate dedicated lanes for both westbound and eastbound directions.

Motorists are advised to expect delays and allow extra time for their commute. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone.

For more information about this Caltrans construction project, visit the website at <http://www.dot.ca.gov/dist4/880sbhovlane/>
