FOR IMMEDIATE RELEASE

Eastbound Interstate 80-Carquinez Bridge Toll Plaza Nighttime Paving Work Toll Plaza Partial Closure-Friday, September 19

SOLANO COUNTY – The California Department of Transportation (Caltrans) will make nighttime pavement repairs to several lanes of the Carquinez Bridge Toll Plaza on Eastbound Interstate-80 (I-80) on Friday, September 19 at 10 p.m. until Saturday, September 20 at 8 a.m.

To ensure worker and public safety during the work, the two right lanes of eastbound I-80 on the Carquinez Bridge and the far-left lanes at the Carquinez Bridge Toll Plaza which include the #1 to #6 toll booth lanes will be closed.

The far-right lanes at the Toll Plaza which include the #7 to #12 toll booth lanes are scheduled to be open. All FasTrak users are advised to slow as they pass through the cash/FasTrak lanes on the far-right-hand side of the toll plaza. The #7 to #12 toll booth lanes accept both cash and FasTrak.

Motorists should allow for extra travel time and expect delays. All work is weather permitting.
