State Route 1-Tom Lantos Tunnel One Way Traffic Control Between Monday, December 8 and Thursday, December 11

San Mateo County – The California Department of Transportation (Caltrans) will need to perform electrical work in the northbound and southbound Tom Lantos Tunnel on State Route 1 in San Mateo County beginning Monday, December 8, 2014.

To ensure worker and public safety, one way traffic controls will be in effect through the Tunnel.

During one way traffic controls, one lane of traffic will remain open at all times with flaggers alternating northbound and southbound traffic.

However, motorists should allow for extra travel time and expect minor delays.

Construction hours are Monday through Thursday, between 9:00 pm to 6:00 am.

NOTE: In the event of rain on Monday, this work will start later in the week.

All traffic will be able to proceed through both tunnel bores after night work is completed.
