

NOTICE OF MEETING

Public Notice of Availability of Draft Environmental Document

State Route 92-82 Interchange Improvement Project San Mateo County

Open House-Informational Meeting

January 29, 2014, 5:30 PM – 8:30 PM

San Mateo City Hall

San Mateo County- The California Department of Transportation (Caltrans) will hold an Open House - Informational meeting to present the proposed State Route 92-82 Interchange Improvement project to the public and residents adjacent to the project. The project proposes to modify the State Route 82 and State Route 92 interchange to reduce traffic congestion, bottlenecks, weaving and queuing spillback at the interchange on and off ramps.

Caltrans has filed a Notice of Completion with the California State Clearinghouse to prepare an Initial Study with a proposed Negative Declaration (IS/ND). The Open House-Informational meeting will be held to provide the public an opportunity to view the scope of the project and provide comments. Caltrans has studied the effects this project may have on the environment. Our studies show it will not significantly affect the quality of the environment.

Map displays will be available for viewing along with comment cards for the public to provide input.

Written comments on the Notice of Preparation will be accepted until February 15, 2014. Please send comments to: Yolanda Rivas, District Branch Chief, Office of Environmental Analysis, California Department of Transportation, 111 Grand Avenue, Mail Station 8B, Oakland, CA 94623-0660; by Fax: 510-286-5600; or by E-mail: Yolanda.Rivas@dot.ca.gov

Residents not able to attend this meeting, please visit the website to view the Draft Environmental Document. <http://www.dot.ca.gov/dist4/envdocs.htm>

Representatives from the City of San Mateo will also be in attendance.
