State Route 12-Center Divider Work Intermittent Closures near Rio Vista Three Consecutive Days Starting Tuesday, May 12

SOLANO COUNTY – The California Department of Transportation (Caltrans) will begin replacing damaged or missing center divider posts called “channelizers”, on State Route 12 (SR-12) between Rio Vista and Suisun City.

The “channelizers” have become worn and damaged over time. The three-day project starts Tuesday, May 12 and will be completed by Thursday, May 14.

Weather permitting, work will start each day Tuesday, May 12, Wednesday, May 13, and Thursday, May 14 at 9:00 AM and conclude at 3:00 PM.

Intermittent State Route-12 Closures:

To ensure public and worker safety, intermittent closures of State Route 12 (SR-12) between Drouin Drive in Rio Vista and Denverton Road near Suisun City are scheduled.

Crews will close the highway in both directions for 10 minutes at a time then reopen the highway to release traffic. CHP will help direct motorists in both eastbound and westbound directions. Motorists should expect delays and allow for extra travel time.

Please drive cautiously and leave a safe traveling distance between your vehicle and the vehicle ahead of you.
