FOR IMMEDIATE RELEASE

State Route 29/Sonoma Boulevard in Vallejo Between Florida and Capitol Streets Full Closures Due to Earthquake Inspections

SOLANO COUNTY –State Route 29/Sonoma Boulevard between Florida and Capitol Streets in Vallejo remains closed as of 5:50 p.m. as crews from Caltrans and other local agencies conduct inspections related to yesterday's earthquake.

Motorists on northbound and southbound SR-29 through Downtown Vallejo will be detoured by law enforcement. Drivers should expect delays and if possible take alternate routes.

At this time, there is no estimated time of reopening.

Crews are inspecting a church located along SR-29 which was damaged during yesterday's earthquake.
