FOR IMMEDIATE RELEASE

PROJECT UPDATE

State Route 128 Night Closures begin Thursday, August 27 at 11 p.m.

SONOMA COUNTY –The first full closure of State Route 128 west of Cloverdale has been rescheduled for Thursday night, August 27, because preliminary work has not progressed as expected. In addition, the closure planned for Sunday night, August 30, has been cancelled. The closures on State Route 128 are necessary in order to place piles for a retaining wall project approximately 1.4 miles west of the three-way intersection of North Cloverdale Boulevard, North Redwood Highway, and Oat Valley Road, and approximately 2.4 miles east of the Mendocino County line.

Closure Schedule

State Route 128 will be closed from 11 p.m. to 5 a.m. on the following days:

- Thursday night, August 27
- Monday night, August 31, through Thursday night, September 3
- No work during Labor Day Weekend
- Tuesday night, September 8, through Thursday night, September 10
- Additional closures will be scheduled as necessary

Detour: Motorists will be detoured to State Route 253. When traveling from Cloverdale to Boonville, the detour adds approximately 16 miles and 20 minutes of additional travel time.

For all other hours, one-way reversing traffic control will continue until the project is complete in mid-October 2015, and motorists should expect delays when traveling through the construction zone.

If this work is delayed due to weather conditions, it will be rescheduled for a later time. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone.
