FOR IMMEDIATE RELEASE

PROJECT UPDATE

State Route 128 Night Closures Continue on Thursday, September 10

SONOMA COUNTY –Caltrans has cancelled the full road closure scheduled for Tuesday night, September 8, but one-way traffic control will remain in effect for the duration of the project. **The next closure will take place on Thursday night, September 10, from 11 p.m. to 5 a.m.** These closures on State Route 128 are necessary in order to place steel piles for a retaining wall project approximately 1.4 miles west of the three-way intersection of North Cloverdale Boulevard, North Redwood Highway, and Oat Valley Road, and approximately 2.4 miles east of the Mendocino County line.

Closure Schedule

State Route 128 will be closed from 11 p.m. to 5 a.m. on the following days:

- Thursday night, September 10.
- Full closures are expected to be scheduled for the week of September 14. An update will be sent as soon as this work is scheduled.

Detour: During the night closures, motorists will be detoured to State Route 253. When traveling from Cloverdale to Boonville, the detour adds approximately 16 miles and 20 minutes of additional travel time.

For all other hours, one-way reversing traffic control will continue until the project is complete in mid-October 2015, and motorists should expect delays when traveling through the construction zone.

If this work is delayed due to weather conditions, it will be rescheduled for a later time. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone.
