U.S. Route 1 San Pedro Creek Bridge Replacement Project Public Information Meeting

San Mateo County- The City of Pacifica will hold an Information Public Meeting to present the proposed Route 1, San Pedro Creek Bridge Replacement and Creek Widening project. The purpose of the project is to replace the current bridge over San Pedro Creek along Highway 1 at the same alignment, provide for a Class 1 multi-purpose path along its eastern side and widen San Pedro Creek to provide 100-year storm event flow capacity.

This project will complete the US Army Corps of Engineers Flood Control Project for lower Linda Mar and Pedro Point.

There will be a PowerPoint presentation. The public will be able to ask questions to the staff about the project after the presentation. Map displays will be available for viewing.

Caltrans staff will also be in attendance.
