

TOLL PASS APPLICATION FORM

Interstate 580 Scofield Avenue and Western Drive Bridge Deck Replacement Project

CONTRA COSTA AND MARIN COUNTIES – Construction for the Interstate 580 Western Drive and Scofield Avenue Bridge Deck Replacement project began in April 2013. Stages 1 and 2 of construction will require the closure of the eastbound I-580 Western Drive on-ramp for approximately 90 calendar days. During the closure, from 5:30 a.m. to 9:30 p.m., a detour will be provided for vehicles 3/4 ton or smaller via a bike path that connects Western Drive with eastbound I-580. Larger vehicles will detour to westbound I-580, cross the Richmond-San Rafael Bridge, exit at San Quentin, and return to eastbound I-580.

During the ramp closure, Caltrans will provide toll-free access for residents, utility workers, and employees and customers of businesses who detour through the Richmond-San Rafael Bridge Toll Plaza. If you will be impacted by this closure, please fill out the following information and mail the form to Caltrans Richmond-San Rafael Toll Plaza, ATTN Desk Sergeant, P.O. Box 70542, Point Richmond, CA 94807.

Call (510) 232-9444 if you have additional guests or need assistance with this form. Note: Toll Plaza staff will monitor use of toll passes.
