FOR IMMEDIATE RELEASE

What: Devil's Slide Tunnel Ribbon Cutting Ceremony

When: March 25, 2013, 11:00 am

Where: Devil's Slide Tunnel South Portal, Montara, CA

General: Television news trucks will park on the left-hand side (northbound) bridge at the north portal of the tunnel. Approach the bridge from the Half Moon Bay (southern) side only, as we do not want you to have to cross the lane. Follow the directions of the flaggers and the CHP officers. Be sure to arrive early, as this side of the bridge will also be used as a site for the event speakers to park. Park your trucks as far forward as possible, but no further than the tunnel entrance. Plan to arrive no later than 9:45 am. If television stations wish to cover the story for the morning shows, notify me no later than Thursday.

Print and radio reporters will report to the offsite parking area at Half Moon Bay Airport and ride shuttle buses to and from the event site. The buses leave promptly at 10:00 am. All reporters must bring a valid press badge with them.

The directions to the airport are:

From the north: Take Highway 1 south. Just south of the airport, you will take the exit for Princeton. Princeton merges into Capistrano. Follow the directional signs to the parking.

MEDIA ADVISORY

From the south: Take Highway 1 north to the Capistrano intersection with the signal. Turn left, and proceed along Capistrano until you see the directional signs.

Due to space limitations, we must restrict media access to only one reporter and one photographer per media group. Please provide the names of the assigned reporters and photographers to robert_haus@dot.ca.gov.
