State Route 12 & Summerset Road Restriping

Rio Vista – On Friday April 18, 2008, between the hours of 9 a.m. to 4 p.m., Caltrans Maintenance crews will be restriping the eastbound and westbound number two lanes at the intersection of Highway 12 and Summerset Road. The restriping will help make this portion of roadway much safer for motorists. While work is being done, the eastbound and westbound number one lanes will remain open to traffic.

Changeable message signs have been placed along Highway 12 to advise motorists of the time and location of the maintenance work being performed.

Motorists are also advised that traffic fines are doubled in construction zones.
