FOR IMMEDIATE RELEASE

Nighttime Lane/Ramp Closures Scheduled for Interstate 80 (I-80) Carquinez and Zampa Bridges

Crockett/Vallejo, Calif. – Caltrans is conducting a maintenance project to resurface Interstate 80 (I-80) across the Carquinez and Zampa Bridges between Contra Costa County and Solano County and perform other needed maintenance. Some of the work involves pavement grinding and noise, and some equipment utilizes back-up alarm safety systems. The nightly work starts Monday March 28 through August 2016, weather permitting.

The following closures are scheduled weeknights starting Monday March 21:

- I-80 EB from Crockett to Vallejo will have lane reductions between the hours of 8:00 PM and 5:00 AM.
- The on ramp to I-80 EB at Pomona Street in Crockett will be closed intermittently for the same time period. Motorists will detour to Cummings Skyway.

The following additional closures are scheduled weeknights starting Monday March 28:

- I-80 WB from Vallejo to Crockett will have lane reductions between the hours of 8:00 PM and 5:00 AM.
- The on ramp to I-80 WB at Maritime Academy Dr./Sonoma Blvd. in Vallejo will be closed intermittently for the same period. Motorists will detour to Magazine Street.

The following additional closure is scheduled from Thursday March 31 until Saturday April 1:

- The Carquinez Bridge Bike Path will be closed for resurfacing. Posted signs will list the toll-free number for shuttle service to transport detoured bicyclists between the hours of 8:00 PM and 5:00 AM.
